When Contemplating Changes in Your Home
By the Adding of Furnishings

whether it be of new Furniture or Carpets, new Wall Papers or Floor Coverings of any description, always look the matter up thoroughly. Come to us. Read the ads. Perhaps some little suggestion from us will be just what you are wishing to know to start you on the right road. We are here for that purpose, so don't feel afraid to ask us questions. Our showing has never been as complete as at the present time, and the quantity which we handle enables us to quote lower prices than any concerns in this section.

Today we are showing a window of Sectional Book Cases. It shows how adaptable they are to rooms that are small and seemingly crowded with furniture by placing the case alongside and under the windows of the same. The sectional idea in book cases is the one worth considering. Oak sections, \$2.50, 2.75, 3.00, 3.75. Large double sections in quartered oak, \$6.00. Mahogany and weathered oak finish are to be had in any of the following makes: Gunn, Globe-Wernicke, Danner and Macey. Catalogues giving full descriptions can be had of us for the asking.

TALK OF THE TOWN

Roller skating at the Pavilion to-night.

This is one of the best pictures of any description we have seen from the Esplanade company in a long time. It is thrilling without being unreasonable, and it is acted with an appearance of reality that gives us the impression of looking at actual events. No attempt is made to incorporate a complicated love story in the hold-up and the capture of the road agents. It is a straight story of two highwaymen, who follow a stage coach, interest it by crossing over a hill, hold up the passengers and escape with the booty. They quarrel over the spoils and one mortally wounds the other. Meantime the coach arrives at a town, sheriff is notified, starts with a posse to run down the robbers. They meeting the dying road agent, who confesses and directs the party where to capture the other man. Then follows a most thrilling chase after the fugitive. Don't miss seeing this picture. Two other very good ones, "A Midnight Disturbance" and "An Energetic Street Cleaner," good comedy, sure to please.
